SCENE IN THE TROPICS

Michael Jordan went to **Louis** with his Miami-based girlfriend, **Yvette Prieto**, on Saturday night. The basketball legend sat back with a group of friends and sipped on a bottle of Macal-lan's 15-year-old whiskey and puffed a stogie at a table across from the DJ booth as his party danced around him and ordered cocktails. The basketball legend also made a slam dunk with his waitress, tipping her a very generous \$100. Also that night, Jordan was seen having dinner with Miami Heat prez **Pat Riley** at **Mr. Chow**.
